Congregational Life Committee

Chair: Ruth Beattie

The Congregational Life Committee creates and promotes fellowship and good relationships among the people of Hunter Presbyterian Church, as members of His visible body in this world.

This committee initiates, plans, and implements programs that include:

- Potluck dinners
- 50-year member celebrations

- Summer picnics
- Easter morning breakfasts
- Christmas dinners
- Special events within the church

Congregational Life is responsible for organizing the coffee hour each Sunday morning. We want Coffee Hour to meet the needs of people on diverse schedules. Many people come to coffee hour, after adult or youth Sunday School. However, we are currently seeking ways to also make it an inviting event for people who might not regularly attend Sunday School.

Opportunities to serve the Congregational Life Committee include volunteering to help with potluck events or to host coffee hour on Sundays. Suggestions for additional social events are always welcome.

Nominating

Chair: Harry Lockhart

The Nominating Committee provides for an orderly and consistent transition of Church Officers as defined in the Book of Order. We nominate candidates for the office of Elder to replace those who are completing their term or who are unable to continue their service. We recommend nominees for other committees as directed by the session. Nominating Committee members contact church members to suggest that they consider serving in open positions. The nominee's names are proposed to the Session and then to the congregation for approval.

Outreach Committee

Chair: Suzi Kifer

The Outreach Committee facilitates Hunter's active life of service. While a number of continuing opportunities to serve have been initiated at Hunter, we also unite with other organizations for service. In addition, the committee maintains links with the Presbytery, Synod, and the national PC(USA) to promote congregational concerns and funding for mission.

Hunter volunteers are active in an English-as-a-Second-Language class, Blessings in a Back Pack, the Jackson Store, and the Unity Garden. The Outreach Committee maintains links with other organizations for service through God's Pantry, CROP Walk, Westminster Village Christian Service Ministry, Maxwell Street Social Services, the Well, and BUILD.

Outreach provides educational information and publicity concerning the world mission of the church and community needs. Through Minutes for Mission, the worship bulletin, newsletter, or email, the congregation is alerted to opportunities for service through giving as well as volunteering. Organizing a Lenten Super series creates a showcase for various mission programs.

The committee is responsible for Hunter's participation in the four annual offerings of PC(USA) (Christmas Joy, Pentecost, One Great Hour of Sharing, and Peacemaking and Global Witness.) The committee also facilitates a monthly offering to combat hunger, an Alternative Gifts program at

Christmas, donations for the Jackson Store, Christmas gifts for families at Westminster Village, and a Fifth Sunday offering shared by Uspiritus and Buckhorn Family Services. A unique resource for mission funds for the Presbytery is rental of parking space during football season.
